15th September 2016

Dear Parents and Carers,

Re: Expectations Week

The week after next in school we are hosting a variety of class presentations based on the expectations for every child at the end of their current academic year.

These sessions are designed to be informative to give you the necessary information to understand the journey your child will be taking over the year and the content of the curriculum that will be covered by July.

You will each have a booklet to take away with you that details the Age Related Expectations in Reading, Writing and Mathematics. You will also receive a list of useful websites that can be accessed, some free and some that you can subscribe to if you wish, that can support your child's learning at home.

As always, ongoing regular reading and extensive questioning to elicit the comprehension of the text is so important to development of reading skills and similarly, learning number bonds and multiplication skills at pace is essential for quick retrieval when applying maths to reasoning skills in maths.

The sessions are detailed below:

Year Groups	Day/Date	Time
YR – (Reception)	Tuesday 27 th September	2.30pm
KS1 – (Year 1 and Year 2)	Monday 26 th September	2.30pm
LKS2 – (Year 3 and Year 4)	Tuesday 27 th September	3.15pm
UKS2 – (Year 5 and Year 6)	Tuesday 27 th September	4pm

Please make these sessions a priority to attend, due to their importance, so you have an oversight of your child's learning this year. We aim sessions to last approximately 30 minutes. They will be held in your child's classrooms. We look forward to seeing you all at the sessions.

Yours Sincerely

R Day (Acting Headteacher)
