

Gatten and Lake Primary School – PE Funding – 2019/2020

Vision: To improve the quality and breadth of PE and sport provision, increase participation in PE and sport, develop healthy lifestyles and allow children to reach the performance levels they are capable of.

The government has provided additional funding of £150 million per annum to improve provision of physical education (PE) and sport in primary schools. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

How much will the school receive?

Our school will receive an allocated budget of £16,000 plus a premium of £10 per pupil = £18,070 (At the time of publication)

At Gatten and Lake we have developed an action plan in order to continue to improve PE and school sport provision and raise achievement for all pupils in sport. Our priorities for 2019-20 are to:

School Sport:

- To further increase the number of opportunities to participate in extra-curricular clubs, intra school and inter school competition
- For 70% of children to access at least one after school sports club
- To continue to build partnerships with clubs and organisations in the community
- To achieve School Games Gold Award for the fifth consecutive year
- To continue to utilise Year 5 and 6 children as Sports Leaders and Playground Leaders
- To subsidise additional extra-curricular clubs, giving children experience of different sporting disciplines

Curriculum PE

- PE specialist to work with class teachers to improve confidence, subject knowledge and skills to teach consistently good and outstanding PE lessons
- Multi Skills specialists to work alongside KS1 teachers to help develop a broad range of activities suitable for developing fundamental movement skills
- To develop the outdoor area to ensure we offer a broad and balanced range of activities which engage the children during playtimes
- Provide further opportunities for the more able children in school to develop their sporting ability
- Support those children who do not reach the required '25 metres' benchmark for swimming, during the allocated sessions already in place for year five and provide swimming lessons for Year 3 children as additional
- Purchase of school PE equipment and resources to ensure it is up-to-date and appropriate for the age range/key stage using it.

Healthy and Active Lifestyles

- To continue the good work already in place at the school to continue to be a 'Gold' 'Shift-it' Award holder
- Ensure we offer all children the opportunity to be active for 30 minutes daily in line with Obesity Strategy and CMO recommendations
- To improve children's experiences of lunchtime to ensure as many children are physically active as possible
- To update outdoor areas to include further markings on 'MUGA' to incorporate other sports
- To renew online resources such as Fitter Future for classes to use as part of the 'Get Fit, Get Healthy' initiative

<u>Objective</u>	<u>Activities</u>	<u>Indicative Spend</u>	<u>Pupils</u>	<u>Impact (reported Sep 18)</u>
<p>1. To further improve the teaching of Physical Education and the learning experience for all pupils by employing experts in the subject</p> <p>Criteria for School Games Gold Mark Provide all students with two hours of timetabled Physical Education per week (within the curriculum only) and have extra curriculum provision in addition to this.</p> <p>Engage at least 50% of pupils in extracurricular sporting activity every week. Of the 50% of pupils engaged in the setting's extra curriculum provision over the academic year, 15% of these pupils should be those considered non-active</p>	<ul style="list-style-type: none"> • PE specialist to work with class teachers to improve confidence, subject knowledge and skills to teach consistently good and outstanding PE lessons Incl: Delivery of extracurricular activity • Multi Skills specialists to work alongside KS1 teachers to help develop a broad range of activities suitable for developing fundamental movement skills • Year 3 Swimming in the spring term (additional to the Year 5 swimming which is curriculum spend) • Year 3 and 4 Tennis Coaching (Linda Jones) • Year 2 and 5 - Chance to Shine Cricket • Develop the provision of after-school sports clubs and offer wider opportunities. <ul style="list-style-type: none"> • Table Tennis Club • Girls Football Coach • Fencing Club • Football Coaching (Chelsea FC) • Monitoring of PESSPA activities across the school. (ES) 	<p>£3,600</p> <p>£2,000</p> <p>£350</p> <p>£100</p> <p>£400</p> <p>£150</p> <p>£200</p>	All children
