Feeling safe and happy at school

At Gatten and Lake Primary, we want to make sure that you feel looked after, safe and happy when you are in and out of school.

Sometimes we don't know if something bad is happening, so you need to tell us.

This policy looks at peer-on-peer abuse, and what you can do when you feel you are being abused, or when you notice someone else being abused.

We can help you by:

- Teaching you what peer-on-peer abuse is.
- Teaching you what to do if you feel like you are being abused, or if someone else is being abused.
- Making sure you know the grown-ups you can speak to if you are worried.

1

Use Kind words

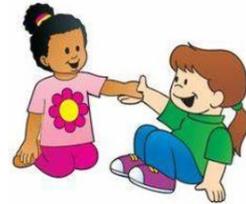

Choose kind words to say as kind words make people happy. Don't say things that might upset people.

2

Use Kind Hands

Only touch people in kind ways. We don't push, punch or kick other people as this might upset them.

3

Use Good Listening

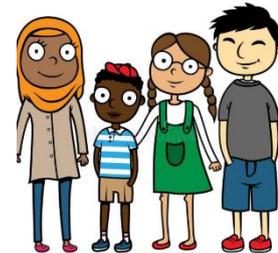

Listen to your friends and show that you care about what they are saying.

4

Treat people equally

We treat everyone the same way, because everyone is different. It doesn't make a difference if someone looks different or has different opinions. Everyone is equal.

5

Keep private parts private

Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first.

6

Tell an adult when something upsets you

If someone does something that upsets you or makes you feel sad, worried or frightened, you should tell an adult you trust straight away. **Tell a grown-up**, such as a teacher or one of the staff in school.

Let's continue to make Gatten and Lake Primary School a happy place!
